**Current guidelines for being considered for MCSHOF;**

To be considered for the Miles College Sports Hall of Fame, he/she must be nominated. Any milean or former milean may nominate someone who they believe is worthy of consideration. His/her name plus any biographical facts available should be submitted in writing to the president of the Miles College Sports Hall of Fame. The board then passes all names to the selection committee. This process must be completed by June of each year. Once a name has been nominated, it remains in nomination forever, unless a verbal request is made to expunge it.
